SWFL ROBOTICS LEAGUE · FIRST Tech Challenge · 2026–2027 Season

Sponsor Our Team

Our team competes in FIRST Tech Challenge, a robotics program that teaches engineering, coding, and teamwork to students across Southwest Florida. **Your sponsorship covers our team's league fee and helps fund the league** that makes our season possible.

SPONSOR OFFER

$100 minimum sponsorship = our league fee, waived

Every team owes a **$100 league fee** — find a sponsor at that level and the fee is covered.

LOGO PLACEMENT

Website + banners

Displayed all season long.

WHO CAN SPONSOR

Business or individual

Any local supporter.

MINIMUM

$100 per team

More is always welcome.

HOW IT WORKS

1. **Sponsor writes a check** made payable to SWFL Robotics, Inc.
2. **Mail it to the league office** with a note naming the team being sponsored.
3. **Team's league fee is waived** and the sponsor's logo goes up.
